DOODLE LEADER

You bring a rare blend of creativity, adaptability, and contagious energy. Like the Doodle, you make people excited to follow your lead. Your ability to connect ideas and possibilities is what sets your leadership apart.

Lead at Your Best

You Lead with Adaptability, Creativity, and Energy

Your Leadership Strengths

- Navigate change with ease
- Generate creative solutions
- Connect ideas across teams

To Lead Even Better

- Clarify priorities and focus
- Build systems for follow-through
- Communicate what matters most right now

Watch Out When Under Pressure

You may shift priorities too often or leave follow-through unclear.

Leadership Sweet Spot

Be flexible but finish strong.

You Don't Have to Do This Alone

You thrive in flexibility and creativity. We help bring focus and follow-through to your ideas.

We partner with Doodle leaders to:

- Organize ideas into clear learning pathways
- Build systems that support execution and consistency
- Create engaging learning without added complexity
- Align stakeholders around shared priorities
- Keep innovation moving forward

Working with Other Breeds

Your instinct is flexibility and creativity. Flex by creating focus and follow-through.

Greyhound

Your openness can feel unfocused to their drive for action.

- Match their energy while grounding ideas in action
- Align on timelines, priorities, and outcomes early
- Help translate vision into executable steps
- Avoid overloading them with too many options
- Keep communication concise and forward-focused

Golden Retriever

Your energy can boost engagement or overwhelm if priorities shift.

- Partner with them to build engagement and morale
- Share ideas openly and collaboratively
- Leverage their strengths to rally the team
- Acknowledge their people-first perspective
- Use their feedback to strengthen buy-in

Bulldog

Your fluid style may challenge their need for consistency.

- Respect structure, process, and order
- Define goals, guardrails, and expectations clearly
- Avoid skipping steps without explanation
- Share rationale for change
- Agree on how progress will be measured

Chihuahua

Your rapid ideation can heighten uncertainty.

- Provide clarity during change or ambiguity
- Break ideas into manageable, logical steps
- Reassure them through transitions
- Allow time for reflection and questions
- Reduce overwhelm by focusing on what matters most
